FROM J WIS TO GENTILE -MIL. Rosa Dichter, a jewess more, at announces her conversion to the Catholic faith, all objections of her husbald wlo is a dev ut Hebrew, to the co...

tracy, netwithstanding. Mrs D chter sutlered from a complicated and appa ently incurable disease, but was admitted to St. Agnes' Hospita', which is under the supervision of the Catholic Church. There she was cured in three weeks. The kindness of the as a miracle, made her inquire into the Christian religion. When the into the Christian religion. Christian religion. When Mrs. Dichter left St. Agnes she was, in her heart, changed from a Jewess to a Gentile.

Mrs Dichter is a German by birth, but has been in this country long enough to speak good English and seems to be unusually thoughtful and intelligent. She is about forty years old and has two children.

THE GREEK PHOENICIAN FIRE .- A new and highly important invention was tested at the German paval manoeuvres, ending last week. It was in the shape of a Greek Phoenician fire invented by a Berlin engineer. It is nites on contact with the air or water and cannot be quenched by either water or earth. It burns with a brilliant flame exceeding big searchlights and it can be sunk under water or under ground and when brought to the surface instantly bursts into flames at any de-ired point. It was tested during ht evolutions off the island of and and off Kiel and proved dicient in detecting the presence of the enemy.
